

BULL MOON H3

Social Distancing Guidelines

Following the latest Government Guidelines, Bull Moon has put the following guidelines in place for pods of 6 to take part in pre-laid trails:

- Attendees to pre-book into pods via the website at www.bullmoonh3.co.uk.
- Travel to the start point individually or with members of their household, or bubble, in preparation for your allocated start time.
- Please maintain a minimum 2-metre distance between yourself and others at all times.
- Trail will be laid and there will be staggered starting times for each pod to allow for maintaining social distancing.
- Pods should endeavour to remain separate from each other before, throughout the trail and at the end.
- Hashers should bring their own drinks to consume during and after the trail.
- Hashers should bring and use their own hand sanitiser and any PPE if they wish to.
- There will be no sharing of drink containers.
- There will be no hash cash collected for now, should hashers wish to donate to the club, a bank transfer can be made.

It is assumed that by attending, you have read, agreed and are willing to abide by these guidelines and support the health and safety of everyone involved.
